ABSTRACT

The Workshop was held at 'Vacanciel la Calanque' in Carry-le-Rouet, near Marseille, from 16th to 19th March. It was followed by a Special Meeting dedicated to the memory of Georg Weinblum, in celebration of the 100th anniversary of his birth.

The Workshop was attended by over 100 participants.

This publication contains extended abstracts of the presentations, and summaries of the discussions. Appended are written abstracts of the Georg Weinblum lectures.
