**Organization:**

The 16th International Workshop on Water Waves and Floating Bodies was organized by the Department of Engineering Systems, Faculty of Engineering, Hiroshima University. The workshop was held at Aki Grand Hotel, Hiroshima, JAPAN from the 22nd to the 25th April, 2001.

**Sponsors:**

The 16th International Workshop on Water Waves and Floating Bodies was sponsored by The Office of Naval Research International Field Office and Electric Technology Research Foundation of Chugoku. The organizing committee cordially appreciate their financial supports.
